

One World Trade Center Treason

(the rape of America by the Illuminati)

By David J. Stewart | September 2013

A video documentary was recently aired titled, [REBUILDING THE WORLD TRADE CENTER](#). The official name of the new structure is the [One World Trade Center](#), which was built in place of the old Twin Towers that were demolished from bombs in the buildings on September 11, 2001. In case you don't know, 911 was irrefutably an INSIDE JOB!!!

In the documentary, it is admitted by the building's architect that the skyscraper was patterned after the Masonic Washington Monument in Washington D.C.! Admittedly, the skyscraper is an obelisk, which is [symbolic of an erect male sex organ](#) (revered by the Freemasons).

You couldn't make this stuff up! Literally, the rebuilt

Trade Center tower is a giant penis mocking every U.S. citizen... screw you America! The New World Order gang are treasonous criminals who are above any laws of man in this world. They are untouchable. The reason why is because they control the Supreme Court, the newsmedia and the highest positions of every office in government.

All that Freemasons need to control any office of government is to control the top office, because everyone underneath is subject to their authority and rule of law. That's how they pulled off the 911 attacks! This is the "spiritual wickedness" in high places that the Bible identifies as our true enemy. Every high-powered leader in America is a member of some occult secret society. It's no coincidence that Senator John Kerry (Mr. Skull & Bones) is on the front lines of the assault against Syria. I don't believe for one second that President Bashar al-Assad of Syria used chemical weapons on his own citizens. Al Qaeda is synonymous with the the Central Intelligence Agency (CIA) in America. It was the CIA who started Homeland Security after the 911 attacks. The CIA's

agenda is to overthrow the American republic for the sake of achieving a World Government.

Few students of history ever learn the truth that America was founded by freemasons as a vehicle by which to achieve world government. Our first U.S. President was George Washington, a devout Freemason. It was all laid out in 1775 by Adam Weishaupt in his secret society called, what else, "The Illuminati." The newly constructed One World Trade Center at ground zero in New York City is exactly 1776 feet tall, deliberately build to that height in honor of the year in which the U.S. Declaration Of Independence was signed, 1776.

The building is saturated with occult symbols and has the markings of the Godless New World Order all over it. It was bad enough that after 911, ground zero featured a 911 memorial with the All Seeing Eye of Horus. Adjacent subway walls had ceramic tiles removed and replaced with All Seeing Eye designs (see photos to right and below). Creepy! Truth is stranger than fiction.

In the recent photo displayed at the beginning of this article, you can clearly see *The Great Pyramid* displayed by the outer surface of the newly constructed *One World Trade Center* building. This is the Illuminati's way of claiming victory over their prey—in this case, the American people!!! The tallest building in America is a giant 1776 foot tall penis!!! I'm not dirty minded, I'm telling the truth!!! The building's architect said it, saying that the building was designed to emulate the Washington Monument. Nebuchadnezzar's image was a 90 x 9 foot obelisk, also a male phallus. This occult image has its origins in pagan ancient Egypt, which you can easily research in numerous online articles.

The obelisk is an symbol of occult power and might, and a reminder to informed Christians that Satan is the god (little g) of this evil world (2nd Corinthians 4:4). When you see the *Washington Monument* (which appears in umpteen movies, books, magazines and media sources), it is a constant reminder of the Masonic control over America. America's secret destiny is to be destroyed as a launching pad for world government. This is what is meant by the Latin phrase 'E Pluribus Unum' on the [reverse of every U.S. dollar](#) (much information on America's secret destiny) which interpreted means, "Order Out Of Chaos." [America must be destroyed](#). This will be the Beast system of the coming Antichrist, aka, the New World Order. Even so, come, Lord Jesus!!!

The 911 attacks were not done by Muslims. Bin Laden was a face to blame and hate. I remember seeing Saddam Hussein stickers in the urinals at work. The Bush administration lied, lied and lied. They first blamed Saddam for 9/11, but then later said it was Bin Laden and Al Qaeda hiding in Afghanistan. The U.S. military led a coalition of UN troops to invade Iraq and Afghanistan, overthrowing both governments. Today, the Illuminati have appointment puppet governments under the pretense of Democracy into both nation's governments. Both Iraq and Afghanistan have lost all their sovereignty. When Syria is stripped of their most powerful weapons, Iran will likely be overthrown

also. [How The Illuminati Is Reordering The Middle East](#) (Iraq, Syria, [Lebanon](#), [Libya](#), [Somalia](#), Sudan & Iran).

NOTE: Do you know what really irritates me? I hate when people lie in court under oath and go to prison for perjury; but U.S. Presidents like Clinton, Bush Jr. and Obama lie hundreds of times, and absolutely nothing is done to punish them. Literally, all recent U.S. President have lied their way into office, lied repeatedly while in office and lied after leaving office. America is a nation of liars!

I was sickened the other day hearing Bill O'Reilly lie about Syria. FOX NEWS is totally bought, owned and controlled by the New World Order gang. FOX is controlled opposition, masters of deception and forming public opinion. To avoid looking biased, they present opposing views. But then they bring in so-called "experts," movie stars and famous singers and other respected and admired people by the public, who push the agendas of the New World Order. FOX NEWS does this all the time. They are professionally trained liars, deceivers and cons. Bill O'Reilly this week was comparing Syria's president with Adolf Hitler. He said that 80% of Americans didn't think that the U.S. should stop Hitler either. That's how O'Reilly works, propagating blatant lies as assumed truth. It's sickening. No evidence has been brought forth to prove that Syria used weaponized gas against its own citizens. FOX NEWS talks about how Syria killed little children. Idiotic Americans buy into that crap, irresponsible media and criminal false allegations. Syria is not the enemy.

I heard President Obama in his speech to the nation demonize Syria's president, just like FOX NEWS wrongfully does. Mr.. Obama is reading off a teleprompter that his professional speech writer wrote. Democrats and Republicans use the same speech writers. It's all deceptions and lies. Whatever it takes to dupe the moronic American public. History has proven that 95% of the masses of the population are easily instigated, deceived and manipulated to do whatever the ruling class want them to do. U.S. presidents are puppets, no more. They don't have the almighty power that television, movies and the newsmedia pretend them to possess. The President is a face to blame. So no matter how much evil, treason and crimes are committed by any particular President, all of the stigma and blame leaves office with him. And then he retires in extravagant leisure and bliss for the rest of his wicked life until he dies and goes to hell forever (Psalms 9:17).

The True Powers Behind Washington D.C. Are Evil And Secret

The woeful scam is that the true Masonic, Bohemian Grove and Skull & Bones criminals powers controlling our nation remain in place, their names are deliberately kept out of the news and they are free to continue hurting, afflicting and robbing the American public. Each U.S. President leaves office with the blame. As of August 2013 President Obama has a 9% approval rating. The man is evil, rotten and cold-blooded, a total fraud, completely sold out to Satan. The public's anger and hatred is appeased with the election of a new and allegedly better President each election who will make the flowers grow, rainbows for everyone and peace on earth forevermore. Yet the thieving, killing, lying, perversion, treason, evil and warmongering continue.

Disturbing Quotes On The New World Order

I literally have joyful moments of bubbling exuberance when I stop and realize that the Word of God promises that every human being will be held accountable for even the words they speak (Matthew 12:36). Proverbs 24:12 says, "If thou sayest, Behold, we knew it not; doth not he that pondereth the heart consider it? and he that keepeth thy soul, doth not he know it? and shall not he render to every man according to his works" Hebrews 10:31, "It is a fearful thing to fall into the hands of the living God." I do not rejoice in the death of the wicked, but I do rejoice in knowing that the arrogance of the wicked will not be left unpunished. Proverb 8:13, "**The fear of the LORD is to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate.**"

Our nation's leaders: Barack Obama, John Kerry, Hillary Clinton and Newt Gingrich lie every time their mouth opens. They have a small gang that are hellbent on taking over the Middle East, overthrowing America and achieving World Domination. The Bible refers to the Illuminati as "The Great Whore" (Jerusalem, Revelation 17:18) in Revelation 19:2, "For true and righteous are his judgments: for he hath judged the great whore, which did corrupt the earth with her fornication, and hath avenged the blood of his servants at her hand." Revelation 17:18, "And the woman which thou sawest is that great city, which reigneth over the kings of the earth." What city reigns over the kings of the earth? It's not the United States. It is Jerusalem (Israel). The Illuminati put Israel back on the map in 1948. I know some Christians have a hard time with that, but history proves it!!! Wall Street funded Hitler's war machine through I.G. Farben (a conglomerate of over 200 companies, including many American companies like IBM, Dupont, FORD Motors and Standard Oil). Henry Ford had a framed picture of his good friend Adolf Hitler hanging on the wall of his office.

The world's nations HATE the Illuminati, and they hate America for doing the dirty work of the Illuminati. When the Antichrist comes, the Illuminati will be destroyed by a coalition of 10 nations who follow the Antichrist. Revelation 17:16, "**And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.**"

Isaiah 13:11, “And I will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogance of the proud to cease, and will lay low the haughtiness of the terrible.”

When Bush Jr. was U.S. President, FOX NEWS criticized him often for open borders. That was a distraction, making it look like FOX NEWS wasn't totally sold out to his administration. But then FOX's lying reporters protected the criminals behind the 911 attacks, distorted the facts and misled the public. There was a total media blackout concerning what really happened on 911. Former Governor Jesse Ventura was labeled as a traitor by FOX NEWS and called unpatriotic for daring to challenge the official 911 story ([which at least 6 of the original 10 members have said is bogus](#)).

The Globalists (Illuminati) were behind the 911 attacks. The Bush administration orchestrated the attacks. Bush's younger brother, Marvin, headed up an electronics security company that oversaw the Trade Towers security in the 2-years leading up to 911. What a perfect opportunity to plant the bombs which were in the buildings on 911. Firefighters said they heard bombs going off. A New York judge banned them from telling the truth. How do 2 planes bring down 3 buildings? No plane ever hit WTC #7. No skyscraper has completely fallen in the history of high-rise fires, let alone 3 buildings imploding in less than 15 seconds!!! Only a retarded idiot would believe that planes brought down the World Trade Center buildings on 09/11/2001. Metallurgic testing was prohibited and all the wreckage shipped to China. How much more evidence does any thinking person need to know that 911 was an Inside Job!!!

To add insult to injury, the architects of the new World Order place a giant All Seeing Eye at ground zero and call it a memorial. And now the granddaddy insult of all is that they've build a giant penis-shaped building in honor of the Washington Monument, as a symbol of the secret societies and sick Masonic powers screwing Americans. Who would have imagined that one day America's tallest building would be a giant penis to brag of the raping of America by Freemasons and the New World Order criminal gang. It is nauseating!!! The 911 attacks were the initiation of the New World Order, the ushering in of a new era of police state tyranny and induced paranoia fear of boogiemans terrorism from now on. END

America's Occult Agenda-Unmasked

America's Greatest Shame

page 287-291

Jupiter's Earthy Abode

The hidden occult forces that were directly responsible for the birth of the United States of America, began to visibly show themselves immediately after independence was won. Within the very governing center itself, the capitol site

of Washington D.C., the site chosen in spite of many who fiercely opposed it, occultic symbolism was cleverly designed right into the overall layout of the streets and certain occultic architectural structures and monuments to form a gigantic occultic pattern or picture, all of which corresponded with the occultic symbolism and message designed into the nation's Great Seal. These became not only a memorial and testimony to the 'Great Work' of this nation's but also for the secret work that is destined for its future. The boldness with which the leaders of the new Republic so arrogantly displayed their occultic symbolism to be represented at the very heart and soul of what was American, speaks loudly for itself and their contempt.

In their veiled communication intended only for the initiated few, it makes know that the "Grand Design" is progressing and is on schedule as planned, regardless of the great masses that oppose it. But what is most puzzling, is that Protestants who have always boasted that America was founded on Protestant principles and Bible Christianity, never challenge or speak a word against the prominent occultic symbolism that so glaringly decorate our nation's capitol and literally makes up the Great Seal. It brings home the saying, that if you want to hide a tree, plant it in a forest, when today these occultic monuments and symbolisms are there quite visible for all to see, yet curiously, no one seems to see them at all. Protestantism, that should be enlightening their fellow Americans of their impending peril have instead abandoned them to grope in utter darkness.

To those not familiar with the occultic adornments that have been so graciously bestowed upon the capitol city of the United States of America by the founding fathers, that have now become our occultic national heritage, all you need is a street map of Washington D.C. and a marking pen to highlight a number of streets to reveal the intended veiled occultic picture. Beginning at the White House, highlight the two streets going north to form a 'V'. The one, Connecticut Avenue, up to and terminate at Dupont Circle. The other, Vermont Avenue, up to and terminate at Logan Circle. From Dupont Circle, follow and highlight Massachusetts Avenue south-east to and terminate at Mt. Vernon Square. From Logan Circle, follow and highlight Rhode Island Avenue south-west to and terminate at Washington Circle. Highlight a line connecting Washington Circle and Mt. Vernon Square along 'K' Street. What you have now revealed is the universally know satanic symbol of the inverted pentagram.

Pause for a moment, and ponder the full significance of what that most sacred satanic symbol laying there before you means. Aghast, it begins to penetrate, as you realize that the satanic image on the map is actually a supersize reality

at the very heart beat of the United States government. It is the U.S.A. signature of approval, dark and hidden, for every profligate movement in our society today, and is portentous for what is in store for this nation's future. It's not some child's play, who has drawn an imaginative star in the sky to wish upon. This mammoth inverted five pointed star is real, embedded right into the streets of the capitol city of a rising world superpower by mature men designed to convey a clear and precise message for a specific purpose to the Occult world. No other nation in the world has such a street layout or has been chosen for such a diabolical future work. Think about this too: the highest award this government can bestow upon a person is the Congressional Medal of Honor-- which is also an inverted pentagram.

As all Satanist and those in the occult know, within the center of every pentagram, which they call the Blazing Star, there is formed the pentagon. It is inside the center of the pentagram or pentagon, where in Witchcraft, witches and warlocks got to cast their spells. And as a symbol of freedom and to more readily achieve their built up power and certain sexual tensions, the participants only perform naked. Witchcraft and astrology being nothing more than a form of Babylonian Mystery Religion Sun Worship, within it, is taught that the Sun-god and Moon-goddess 'created' the whole universe.

To honor this belief, the High Priest in a coven is believed to be the incarnation of the Sun-god and the High-Priestess the incarnation of the Queen of Heaven or Moon-goddess. To mimic or simulate the 'creation act', the abominable ritual is performed called "The Great Rite" when these two engage in sexual activities. This sacred prostitution is justified by them on the grounds of fertility and Phallicism; the veneration and worship of the male and female sex organs, which all Sun-Worship philosophy is based on.

The pentagram and pentagon are associated with the number five; the pentagram being a five pointed star and the pentagon having five sides. Ancient Babylon was the birth place of Astrology, the Zodiac, the Horoscope, and Numerology that was substituted for divining the future instead of the Word of the true God. Originally, the letters of the various alphabets had a numerical value. Some still do today, like the Roman numerals. But Babylonian astrology taught that the chief gods of the zodiac, which were but emanations of the Sun-god as they serpentine their way through the zodiacal band, all had a Sacred Number.

And the most 'sacred number' that was applied to the Sun-god incarnate or Pontifex Maximus (meaning the "highest" of SUN Worship high priests) and no

other, is important to us because it is referred to in Scripture. But the number five was associated with the planet Mars, the god of War. Thus the symbol of the five sided Pentagon Building, which houses the largest office building in the world covering 34 acres, for the United States Of America Department of Defense, just outside of Washington D.C., that is so important and significant to the elite occultists.

It is comforting to know that even though Freemasonry and the Jesuits, those front organizations for the Church of Rome, have shrouded their sinister intentions around mysterious occultic symbols, it is no dark secret for what they have planned for America and the world to those who want to understand the predictions of Scripture. For the Sovereign God of Creation and the universe has wonderfully laid out for His people to see, two thousand years ago, precisely what they were going to do just before our Lord's return. This single fact alone is enough to prove which God is true from those that are false.

But people today without heaven's compass, are being swept away into believing that for the good and sake of all mankind and the preservation of 'Mother Earth', we must not think and act as individuals who believe there is but One who died on the Cross for the sin of the world; One alone who is the Son of God; One alone who is uniquely the WAY, the TRUTH and the LIFE. To serve and obey this God of creation as the true God above all others is to be branded as an isolationist and separationist and denounced as dangerous to world peace.

But rather, we must now act as a global community; not giving offense to other religions, but must all conform to the one interdependent global structure of the 'wise one's; New World Order and its United Religion Organization that is leading the world into its blind alley of doom. And to usher in this corruptible fruit of six thousand years of man's labor, and to fully convince us all that it is heaven sent, they have concocted a special dive event', a global delusion that will startle and jolt the inhabitants of the whole world in headlong obedience.

As already mentioned, occultic Sun Worship honors and dignifies fertility rites and promiscuous sexual activities in the belief and teaching that the Father Sun-god benevolently impregnates Mother Earth; for the purpose of supplying all nature with substance for sustaining life. Otherwise, all nature would die. All occultists, Satanists, witches and warlocks believe this. In fact, they vigorously promote free sex of every description as a reenactment of Father Sun and

Mother Earth's sex act. To anyone unfamiliar with these beliefs and teachings, raw sex is quite shocking to the senses.

However when the most powerful and wealthy people of the world are occultists, who are silently bulldozing this superstitious corruption upon the inhabitants of the world, and you see it enough, the senses then become dulled. But when you understand what is going on, it comes as no surprise that the President of the United States and Congress can enact laws to teach sex education to children; endorse, protect, and promote homosexuality under civil rights laws, and legally bring raw sex right into your living room through the television. All of this blatant immorality is just another way to make mockery of the true God.

Phallicism, the veneration and worship of the male and female sex organs, is just another perverted doctrine of Sun Worship. And even though the nation of Egypt must receive the glory for its development, the origin, actually took place in Babylon. But like all real life extraordinary events that make indelible impressions upon men's minds, the story will then live on through succeeding generations to finally become a legend. To understand Egyptian Phallicism and their world renowned obelisks as its symbol, including the world's largest in Washington D.C., we must understand the Egyptian legend and the Babylonian reality that gave birth to that Egyptian legend.

There's a famous Rock band that's been around for decades in Europe called, "GREEN DAY." One of their hit songs is "AMERICAN IDIOT!" They sure hit the mark with that song. We are an idiotic society in the United States. We murder our children in the name of women's liberation. We believe everything the lying newsmedia tells us; yet we don't believe fictitious Hollywood movies that tell us the truth.

Green Day sings about how the newsmedia controls America. It's a shame that Europeans see how gullible and enslaved we are as a society in the U.S., but we as Americans don't see it!

The culprits who blew up the Trade Towers buildings were not extremist Muslims; but rather, the people who own and control [The Council On Foreign Relations](#), the Bilderbergers, the Illuminati elite. If the preceding video isn't convincing enough, then read the following article . . .

Oculus, The All Seeing Eye Below Ground Zero

February 26, 2009

Beneath the **Chambers Street / World Trade Center** subway stop in New York City, lies an **occult symbol** that millions of Americans have looked upon without noticing it's inherently **Satanic** overtones.

This **Satanic symbol** is known as **Oculus**.

An artwork entitled Oculus (Eye) has been installed all over the Chambers Street/World Trade Center station complex. Created by Kristin Jones and Andrew Ginzel, Oculus consists of 300 different mosaic eyes, all based upon actual human eyes taken from photographs—not computer generated.

The centerpiece of the work is an elliptical glass and stone mosaic floor, **with a magnificent micro mosaic eye at the center of an ultramarine vortex with the image of the City of New York woven into the picture.**

The Cult of Oc: is derived from the ancient symbols of the circular sun and the crescent moon, which when joined together form the word oc.

“To occult” means to eclipse, as when the moon obscures the sun during a total eclipse. Oc is also the root of the Latin word for eye - oculus. So the occult is the cult of the celestial sun moon eye whose wink darkens the day.

Occult actually means hidden and is often represented by a closed eye, or a winking eye . . .

It is not hard to understand that there is indeed a very real satanic power represented by this mosaic and it's all seeing eye, yes, the same all seeing eye depicted on the back of your dollar bill of which Illuminist and Luciferian Albert Pike writes in his Illuminist book *Morals and Dogma*, “...the **All-Seeing Eye**, ...to the Egyptian initiates was the emblem of Osiris, the Creator.”

“... His [Osiris] power was symbolized by an Eye over a Sceptre. The Sun was termed by the Greeks the Eye of Jupiter, and the Eye of the World; and his is the **All-Seeing Eye** in our Lodges.”

Pike, a Luciferian is openly admitting here that the all seeing eye is indeed the eye of Lucifer.

As previously mentioned, this is the same all seeing eye pictured on the back of the \$1 bill and as such is also the reversed side of America's Great Seal of which famed occultist Manly. P Hall writes, “On the reverse of our nation's Great Seal is an unfinished pyramid to represent human society itself, imperfect and incomplete. Above floats the symbol of the esoteric orders, the radiant triangle with its **all-seeing eye**. ... There is only one possible origin for these symbols, and that is the secret societies which came to this country 150 years before the Revolutionary War. ... There can be no question that the great seal was directly inspired by these orders of the human Quest, and that it set forth the purpose for this nation. ”

Is it possible that America has been fulfilling a New World Order plan, an occultist plan, since it's inception? I believe that as far back as World War One, the answer is indeed yes.

To further understand this I suggest you all find a copy of the video America's Secret Beginning as well as Riddles in Stone, to help you dig deeper into much of what this country was actually founded on, as in deism not Christianity.

As for grasping the understand the all

seeing eye, one needs to go back into ancient Egypt and to Osiris and Horus, both of whom are represented by the eye.

The origin of Osiris's name is a mystery, which forms an obstacle to knowing the pronunciation of its hieroglyphic form. The majority of current thinking is that the Egyptian name is pronounced aser where the a is the letter ayin (i.e. a short 'a' pronounced from the back of the throat as if swallowing).

The myth described Osiris as having been killed by his brother Seth who wanted Osiris' throne. Isis briefly brought Osiris back to life by use

of a spell that she learned from her father. This spell gave her time to become pregnant by Osiris before he again died. Isis later gave birth to Horus. As such, since Horus was born after Osiris' resurrection, Horus became thought of as representing new beginnings. This combination, Osiris-Horus, was therefore a life-death-rebirth deity, and thus associated with the new harvest each year.

The gods were impressed by the devotion of Isis and thus restored Osiris to life in the form of a different kind of existence as the god of the underworld.

Wow, God of the Underworld! Imagine that! Ironically, that's a title also viewed as Satan's.

The links are clear and the fact that Oculus is located below ground zero is more than just bizarre. It raises the question, were those that lost their lives on 911 part of a ritual sacrifice to an ancient and evil deity known as the Serpent or the Devil?

His eye, and a depiction of swirling fire are buried beneath the site where this tragedy occurred, yet most Americans don't even notice Satan's very own fingerprint when they see it.

The best place to hide a LIE is between two TRUTHS!

(The above photos were taken immediately after the 9/11 attacks at the Ground Zero Memorial site. The subway stairs display the creepy all seeing eye. Who did this? Why would anyone display these occult images? Clearly, 9/11 was an inside job, perpetrated by the Illuminati.)

The sad thing is that most Christians I talk too couldn't care less. That is apostasy! Any preacher who is **only** concerned about building his church, and has no interest in knowing and exposing the truth of what's going on in the world, is not right with God. Our very freedoms are under attack! If the New Testament Church doesn't rise up against the Communist evils taking over America, then future generations won't be permitted to preach the Bible publicly, and will be forced to hire homosexuals, and **"whosoever killeth you will think that he doeth God service"** (John 16:2).

Although ultimately we will not stop the New World Order, we can fight Communism to preserve our freedoms for as long as possible (Psalm 94:16). Wake up, wake up, wake up! Oh Lord, open preacher's and believer's eyes in America that they'd start realizing what's happening. Everywhere we turn nowadays we are seeing the All Seeing Eye Of Horus, which is a symbol of Satan and allegiance to him. Jesus foretold that faith would become almost non-existent before He returns. **Luke 18:8**, "I tell you that he will **avenge them speedily**. Nevertheless when the Son of man cometh, shall he find faith on the earth?"
